

# MTR RESEARCH FUNDING SCHEME 2026

APPLICATION PERIOD

01 DEC / 2025 → 27 FEB / 2026

MTR Research Funding (MRF) was first introduced in 2023. MRF2026 will be the 4<sup>th</sup> round and is currently inviting applications.

MRF aims to support exploratory and up-stream research to create and build future operations and services for mass public transportation. The MRF Scheme welcomes proposals from all disciplines of academic research to contribute towards the sustainable development of rail transport and to keep Hong Kong ahead of future transport challenges.

## THEMES OF MRF2026

- » Connecting Rail, Tourism and Economic Growth
- » Integrated Mobility in Smart City
